**CROSS CUT**  
AND  
**Buck Saws**

**IS IT A  
Buck or Cross-Cut Saw?**

We have found that for several  
years in the month of November  
our sales of Buck and Cross Cut  
Saws were double those of any  
other three months.

Whether this is due to the ap-  
proach of the wood sawing season  
or because at this time we offer  
exceptional values in saws we  
don't know, probably both. Any  
way our values should appeal to  
you. This is the way prices run  
on our Atkin's Buck and Cross  
Cut saws:

Buck Saws, 50c, 85c, 90c, \$1.25  
Cross Cut Saws, \$1.50, \$1.75,  
\$1.85, \$2.00, \$3.00

oline engines.

**DISCRIMINATING LADIES.**

The ladies who have used Newbro's  
Herpicide speak of it in the highest  
terms, for its quick effect in cleansing  
the scalp of dandruff and also for its ex-  
cellent as a general hair-dressing. It  
makes the scalp feel fresh and it always  
that itching which dandruff will cause.  
Newbro's Herpicide effectively cures  
dandruff, as it destroys the germ that  
causes it. The same germ causes hair  
to fall out, and later baldness; in killing it  
Herpicide stops falling hair and prevents  
baldness. It is also an ideal hair dress-  
ing, for it lends an aristocratic charm  
to be hair that is quite distinctive. Sold  
by leading druggists. Send the in stamps  
or sample to The Herpicide Co., De-  
not Mich.

protect that city and the Ohio border  
from a threatened invasion of the Con-  
federate forces. In this month's issue  
of home defenders were more boys and  
men long past the military age, and  
their arms were quite as varied as their  
personalities. They had no uniforms  
and the weapons they carried were mus-  
kets and rifles and shotguns and revolv-  
ers, many of the first named being ven-  
erable weapons that had seen service as  
far back as 1812. At the governor's  
call for men this mass of volunteers  
was hurried to Cincinnati, where it re-  
mained on duty until the danger was  
passed.

A part of this army of defense was  
recruited in Cleveland and there are  
veterans of the local force who still  
survive.—The Cleveland Plain Dealer.

smell and completely derange the whole sys-  
tem when entering it through the mucous sur-

cept on prescriptions from reputable physi-  
cians, as the danger they would be ten fold to  
the good you can possibly derive from them.

Hill, 239 North Second Street, Philadelphia, Pa.  
is taken internally, acting directly upon
